Dear Sir:

On November 21, 2001, Applicant requested correction of the Official Filing Receipt for the above-referenced patent application, to reflect the correct filing date. (A copy of this Request is enclosed.) On January 25, 2002, an Updated Filing Receipt (Confirmation No. 8756) was received, but the filing date is still incorrect. The Official Filing Receipt for the above-referenced patent application contains the following clerical error:

1. The filing date is incorrectly shown as October *11*, 2001. The correct filing date should be October *10*, 2001, as indicated on the original postcard in the upper right-hand corner, and as shown by the Post Office's official date stamp shown on the Express Mail receipt (copies enclosed). Please note the PTO bar code sticker placed on the original return postcard also reflects the incorrect filing date.

Applicant again requests the Official Filing Receipt be corrected to reflect the correct filing date of October *10*, 2001. For your reference, a copy of the Updated Filing Receipt is enclosed, again with the correction indicated in red. Please issue a corrected Filing Receipt for this patent application.

Respectfully submitted,

SHERIDAN ROSS P.C.
